

Geary BRT

Better, Reliable Transit

You are invited to the
**Geary Bus Rapid
Transit Forum**

Wednesday,
August 22nd
6pm-8pm
at the
**Richmond
Branch Library**

351 9th Ave
San Francisco, 94118

Historical 'B' Geary Streetcar

This is NOT a library-sponsored event.

Do you know

what *Bus Rapid Transit (BRT)* is?

- ① A physically-separated, transit-only lane makes it so buses avoid getting stuck in traffic
- ② Buses travel in the center lane, avoiding cars that are parking or taking right-hand turns
- ③ Traffic light sensors turn the traffic light green when triggered by an oncoming bus

Learn how BRT can benefit Geary Boulevard by attending the San Francisco Transit Riders Union's **Geary Bus Rapid Transit Forum!**

Join us on August 22nd

for a forum discussing BRT along Geary Boulevard, including a history of the street, a history of bus rapid transit, and presentations from City and SFTRU staff.

Come have your voice heard!

What is SFTRU?

We are current and future riders united to achieve an excellent, affordable, and growing public transit system in San Francisco.

Join us at
www.sftru.org.
